for Flexible Regulation of its Local Exchange Services )

**VERIFIED DIRECT TESTIMONY OF D. SCOTT RINGO JR.**

1   **Q.   PLEASE STATE YOUR NAME, BUSINESS ADDRESS AND**  
2       **TELEPHONE NUMBER.**

3   **A.**   My name is D. Scott Ringo Jr. My business address is 221 East 4<sup>th</sup> Street, Room  
4       1280 Cincinnati, Ohio 45201. The telephone number is 513 397-1354.

5   **Q.   WHAT IS YOUR POSITION WITH CINCINNATI BELL ANY DISTANCE**  
6       **INC. (CBAD)?**

7   **A.**   I am Assistant Corporate Secretary and National Director of Regulatory Affairs  
8       for Cincinnati Bell Any Distance Inc.

9   **Q.   WHAT ARE YOUR PRINCIPAL RESPONSIBILITIES WITH CBAD?**

10   **A.**   I am responsible for regulatory strategy and compliance for the regulated  
11       Cincinnati Bell companies, including CBAD. My responsibilities include cross-  
12       departmental operational compliance, tariffs, complaints, interconnections matters  
13       and disputes, among other regulatory matters.

14   **Q.   WHAT IS THE PURPOSE OF YOUR TESTIMONY IN THIS**  
15       **PROCEEDING?**

16   **A.**   The purpose of my testimony is to support the Application which CBAD has filed  
17       with the South Carolina Public Service Commission for authority to provide

1 resold basic local exchange services to customers in South Carolina. My specific  
2 testimony focuses on the Company's qualifications for grant of the requested  
3 authority. These include its managerial, technical and financial qualifications,  
4 further description of the Company and its proposed local exchange operation in  
5 South Carolina, confirmation of CBAD's intention to operate in full compliance  
6 with the rules and policies of this Commission and the public interest benefits to  
7 be achieved by grant of the Company's Application.

8 **Q. PLEASE DESCRIBE CBAD AND ITS GENERAL QUALIFICATIONS.**

9 **A.** CBAD is an operating subsidiary of Cincinnati Bell Inc., a Cincinnati, Ohio based  
10 telecommunications holding company, and provides long distance services on a  
11 national basis. Along with CBAD, Cincinnati Bell operating subsidiaries include  
12 the Cincinnati Bell Telephone, Cincinnati Bell Wireless, Cincinnati Bell Extended  
13 Territories LLC, and Cincinnati Bell Technology Solutions subsidiaries.  
14 Cincinnati Bell and its subsidiaries are a full-service regional provider of data and  
15 voice communications services and equipment over wireline and wireless  
16 networks. With approximately 3,200 employees and \$1.4 billion in annual  
17 revenue, the Cincinnati Bell companies serve residential and small, medium and  
18 enterprise business customers across the United States.

19 Cincinnati Bell's service offerings include local, long distance, wireless,  
20 IP and broadband offerings, post-paid calling card services, conference calling,  
21 frame relay, private line, VPN, ATM and MPLS services, web hosting services,  
22 Internet access, webmail, converged services, managed hosting and data centers.  
23 The Company provides telecommunications service primarily on its owned local  
24 and wireless networks with a well regarded brand name and reputation for

1 service. At other times, subsidiaries provide service by reselling the local  
2 telephony services of other telecommunications carriers or through the purchase  
3 of unbundled network elements. In addition, the Company provides business  
4 customers with efficient, scalable office communications systems and complex  
5 information technology solutions, including data center and managed services,  
6 telecommunications equipment and information technology hardware. The  
7 Company operates in three segments: wireline, wireless, and technology  
8 solutions.

9 CBAD was incorporated in Delaware on November 14, 1987. A copy of  
10 the Company's qualification to operate as a foreign corporation in South Carolina  
11 was included with its Application. The Company currently provides interstate and  
12 international service pursuant to its Section 214 authority and provides intrastate  
13 services in 48 states. With this application, the Company intends to expand its  
14 service offering to include resold local exchange services as well, enabling it to  
15 provide customers with "one-stop" access to complete end-to-end  
16 telecommunications services.

17 As discussed further in its Application, the Company is well qualified for  
18 the requested grant of authority. The Company effectively competes while  
19 maintaining both regulatory compliance and high standards of customer service,  
20 as underscored by the absence of complaint history. Moreover, no state has  
21 denied CBAD authority to provide the services that are the subject of this  
22 Application.

23 **Q: HAS THIS COMMISSION PREVIOUSLY GRANTED**  
24 **TELECOMMUNICATIONS AUTHORITY TO CBAD?**

1 A: Yes. CBAD currently provides resold long distance services to business and  
2 residential consumers in South Carolina pursuant to a Certificate originally issued  
3 by the Commission to Network Long Distance, Inc. via Order No. 94-1114 in  
4 Docket No. 94-235-C issued on October 24, 1994. Via various requests to the  
5 Commission effecting name changes, obtaining approval of mergers and transfers,  
6 and otherwise providing notice of the foregoing, CBAD is currently the holder of  
7 the Certificate in question.

8 **Q. DOES CBAD CURRENTLY PROVIDE ANY TELECOMMUNICATIONS**  
9 **SERVICES IN SOUTH CAROLINA?**

10 A. At this time, CBAD provides interexchange services in South Carolina.

11 **Q. IS CBAD QUALIFIED TO PROVIDE TELECOMMUNICATIONS**  
12 **SERVICES IN ANY OTHER JURISIDCTIONS?**

13 A. Yes. As noted above, the Company provides interstate and international services  
14 pursuant to Section 214 authority granted by the Federal Communications  
15 Commission. In addition, CBAD holds authority to provide local exchange  
16 and/or interexchange services in 48 states. A list of those states (and authorized  
17 services) is provided as *Exhibit A* to my testimony.

18 **Q. PLEASE DESCRIBE CBAD'S MANAGERIAL AND TECHNICAL**  
19 **QUALIFICATIONS.**

20 A. CBAD is managed by a team of thoroughly experienced industry professionals  
21 with solid expertise both in the technical operations and business management  
22 necessary to operate a successful telecommunications company. The Company  
23 benefits from the collective managerial and technical resources available within

1 the Cincinnati Bell companies. Resumes for the management team were provided  
2 as *Exhibit D* to the Application.

3 **Q. PLEASE DESCRIBE CBAD'S FINANCIAL QUALIFICATIONS.**

4 **A.** CBAD is financially qualified to provide the services proposed in its Application.  
5 The Company will have access to extensive financial resources throughout its  
6 initial delivery of local exchange services in South Carolina and thereafter as  
7 needed. CBAD maintains a solidly established and financially stable  
8 telecommunications operation in 48 states and, moreover, is backed by the  
9 consolidated strengths of Cincinnati Bell Inc. Audited consolidated financials for  
10 Cincinnati Bell Inc. and its subsidiaries were submitted as *Exhibit C* in the  
11 Application.

12 **Q. PLEASE DESCRIBE THE TYPES OF SERVICES THAT CBAD WILL**  
13 **OFFER IN SOUTH CAROLINA.**

14 **A.** CBAD requests authority to provide resold basic local exchange services to South  
15 Carolina business customers. The Company will tailor its services responsively to  
16 South Carolina market demand; however, it expects initially to provide a  
17 competitive offering of end-to-end business services including traditional local  
18 and long distance calling, IP based offerings, conference calling, private line and  
19 other high-capacity services. In addition, the Company expects to offer a variety  
20 of non-regulated services to its customers.

21 **Q. DOES CBAD PLAN TO OWN AND DEPLOY ITS OWN FACILITIES**  
22 **FOR THE PROVISION OF REGULATED TELECOMMUNICATIONS**  
23 **SERVICES IN SOUTH CAROLINA?**

1 A. No. At this time, the Company proposes to operate as a reseller of local exchange  
2 services.

3 Q. **WHOSE FACILITIES DOES THE APPLICANT PROPOSE TO RESELL**  
4 **IN ORDER TO PROVIDE SERVICES IN MICHIGAN?**

5 A. CBAD will resell the underlying services of companies to which this Commission  
6 has granted facilities-based local exchange authority. The Company may resell  
7 the wholesale services of the incumbent provider in each operating territory;  
8 however, should competitive market offerings and strategic factors warrant,  
9 CBAD may resell the services of other authorized carriers as well

10 Q. **WHAT REGULATORY TREATMENT IS CBAD SEEKING IN THIS**  
11 **APPLICATION?**

12 A. CBAD requests flexible regulation for its local exchange telecommunications  
13 services as the Commission granted in Order No. 98-165 in Docket No. 95-661-C.  
14 CBAD also requests a waiver of 26 S.C. Code Ann. Regs. 103-610 concerning the  
15 location of books and records. CBAD is located in Cincinnati, Ohio and as a  
16 reseller of other carriers services, it would be costly and burdensome to maintain a  
17 location in South Carolina where books and records would be available for  
18 viewing. CBAD, therefore requests a waiver of this requirement.

19 Q. **IF AUTHORIZED TO PROVIDE COMPETITIVE**  
20 **TELECOMMUNICATIONS SERVICES, WILL CBAD COMPLY WITH**  
21 **ALL APPLICABLE RULES, REGULATIONS, POLICIES AND ORDERS**  
22 **OF THIS COMMISSION, AND THE LAWS OF SOUTH CAROLINA, AS**  
23 **NOW ADOPTED OR THAT MAY BE ADOPTED IN THE FUTURE, IN**

1           **ITS       PROVISION       OF       COMPETITIVE       INTRASTATE**  
2           **TELECOMMUNICATIONS SERVICES?**

3   **A.**    Yes. The Company is aware that the Commission has promulgated various  
4           standards and policies for telecommunications carriers to observe throughout their  
5           operations. CBAD intends to operate in full compliance with all applicable  
6           Commission and state requirements.

7   **Q.    HOW WILL CBAD GUARD AGAINST SLAMMING?**

8   **A.**    CBAD will prevent unauthorized switching of customers by obtaining a signed  
9           letter of authorization ("LOA"), or similar authorization, from all new customers.  
10          CBAD will comply with South Carolina law and Federal Communications  
11          Commission ("FCC") regulations regarding how carriers may change a  
12          customer's service and carrier.

13   **Q.   HOW WILL CABD HANDLE SERVICE, BILLING AND REPAIR**  
14          **COMPLAINTS?**

15   **A.**    CBAD has a toll free number, (800) 571-6601, that customers may call to register  
16          service, billing and repair complaints. CBAD views customer satisfaction as  
17          critical to its success in a competitive marketplace and will address all services,  
18          billing and repair complaints and inquiries promptly. If CBAD is unable to  
19          resolve a billing complaint to a customer's satisfaction, CBAD will advise the  
20          customer of its right to file a complaint with the South Carolina Office of  
21          Regulatory Staff or the South Carolina Public Service Commission.

22   **Q.   CAN YOU ADDRESS THE STIPULATION CBAD ENTERED INTO**  
23          **WITH THE SOUTH CAROLINA TELEPHONE COALITION (SCTC)?**

1 A. Yes. CBAD was made aware of the concerns of the rural carriers in past  
2 Commission proceedings and contacted SCTC to discuss their intervention and  
3 issues. SCTC provided CBAD with a draft stipulation addressing their concerns,  
4 and CBAD was agreeable to the terms of the stipulation. The signed stipulation  
5 was filed as part of this proceeding on October 19, 2009.

6 **Q. WILL CBAD COMPLY WITH ALL APPLICABLE COMMISSION**  
7 **SERVICE RULES AND BILLING STANDARDS?**

8 A. Yes.

9 **Q. HAS THE OFFICE OF REGULATORY STAFF PROPOSED ANY**  
10 **TARIFF REVISIONS TO CBAD?**

11 A. Yes. CBAD has agreed to make all the suggested revisions

12 **Q. PLEASE PROVIDE THE NAME, ADDRESS AND TELEPHONE**  
13 **NUMBER OF THE PERSON THAT WILL SERVE AS YOUR**  
14 **COMPANY'S CONTACT TO THE CONSUMER SERVICE DIVISION**  
15 **FOR COMPLAINT RESOLUTION.**

16 A. Please contact Kathy Campbell, Regulatory Specialist, Cincinnati Bell Any  
17 Distance Inc., 221 East 4<sup>th</sup> Street, Room 1280, Cincinnati, Ohio 45201, Tel: 513  
18 397-1296, Fax: 513 421-1367, and Email: [Kathy.Campbell@cinbell.com](mailto:Kathy.Campbell@cinbell.com).

19 **Q: WILL THE COMPANY FILE ALL APPLICABLE REPORTS AS**  
20 **REQUIRED BY THE COMMISSION?**

21 A: Yes. The Company is aware of the Commission's requirements that all  
22 telecommunications carriers file a report on South Carolina operations, a gross  
23 receipts report, and a universal service contribution report on an annual basis.

1 **Q: WILL THE SERVICES PROVIDED BY CBAD MEET THE SERVICE**  
2 **STANDARDS THAT THE COMMISSION HAS ADOPTED OR MAY**  
3 **ADOPT?**

4 **A:** Yes.

5 **Q: CAN CBAD ASSURE THE COMMISSION THAT ITS PROVISION OF**  
6 **SERVICE WILL NOT ADVERSELY AFFECT THE AVAILABILITY OF**  
7 **AFFORDABLE LOCAL EXCHANGE SERVICE?**

8 **A:** Yes.

9 **Q: WILL CBAD, TO THE EXTENT THAT IT MAY BE REQUIRED TO DO**  
10 **SO BY THE COMMISSION, PARTICIPATE IN THE SUPPORT OF**  
11 **UNIVERSALLY AVAILABLE TELEPHONE SERVICE AT**  
12 **AFFORDABLE RATES?**

13 **A:** Yes.

14 **Q: WILL CBAD'S PROVISION OF SERVICE OTHERWISE IMPACT THE**  
15 **PUBLIC INTEREST?**

16 **A:** Amending CBAD's certificate of public convenience and necessity to allow  
17 CBAD to provide local exchange services will have a positive impact on the  
18 public interest. CBAD's proposed service will provide alternative services of the  
19 highest quality, will provide increased consumer choice in billing options, and  
20 will offer increased diversification and increased reliability of communications  
21 services. Our service offerings will enhance competition for telecommunications  
22 services in this state because the addition of another supplier of telephone service  
23 will increase competition in terms of price and quality of service for the business  
24 of telephone service consumers.

1   **Q.    IS GRANTING OF CBAD’S REQUEST FOR AUTHORITY CONSISTENT**  
2       **WITH THE PUBLIC INTEREST BENEFITS IN SOUTH CAROLINA?**

3   **A.**    Absolutely. CBAD’s entry into the South Carolina exchange telecommunications  
4       market and the competitive end-to-end service offerings it will make available to  
5       South Carolina consumers are precisely the marks of competition envisioned by  
6       the U.S. Congress when they mandated competition with the incumbent  
7       monopolies. The addition of companies such as CBAD to the roster of South  
8       Carolina providers will fuel competitive activity in the telecommunications  
9       market, resulting in lower prices, increasingly consumer-responsive product  
10      design, expanded availability of tailored service packages, improved customer  
11      service and reduced consumer complaints. By extension, the increased  
12      vitalization of the telecommunications sector should create spillover benefits for  
13      the rest of the South Carolina economy. Grant of the Application will enhance  
14      further the service options available to South Carolina consumers for the reasons  
15      set forth above.

16   **Q.    DOES THIS CONCLUDE YOUR TESTIMONY?**

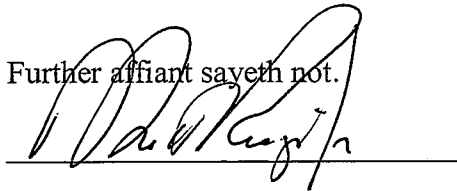

17   **A.**    Yes it does.
